- ▶ Applications of Integrals

Review Activity

Section 3

TA: Dante
Buhl

Welcome to
Section!

Practice

Please complete the worksheet found on the canvas files section under Dante's Section Materials (It is called "Section 3 Review Activity"). By completing the worksheet, you will obtain the access code for today's section activity quiz. Feel free to get started once you obtain the phrase. In the last 20 minutes of section, I will give everybody the code.
